

## YOGA LIFE VILLA

A luxury boutique sanctuary for  
personal transformation

# *Exhale Yoga Studio*

Our Studio design and location is created to allow a flow, an ease and a connection with nature.

Through this magical union, peace and tranquility can be felt in the present moment. Our teachings are holistic, integrative and deeply transformational.

Our studio philosophy is an international center that celebrates unity and diversity through many styles and techniques for personal transformation.

1,110 sq ft, fully equipped yoga studio, with floating wood floors, separate entrance, sound system and 12 point AIReal silks. Nirvana Park and Shiva Shack located next to the studio.
